

Notes of the COMPRES Executive Committee meeting of 7 June 2013

Present: J Bass, A Campbell, P Dera, T Duffy, Y Fei, A Kavner, N Ross, J Tyburczy

Absent: None

Start time: 2:00 Eastern Time

1. Minutes of the 24 May 2013 Executive Committee meeting were approved.
2. An update on Annual Meeting was presented with final details of the program.
3. The visit to NSF on June 10 by Duffy and Bass was discussed.
4. A report on a Neutron Diffraction Workshop at Oak Ridge was presented by N Ross. New high-pressure neutron beamlines are becoming available, such as PLANET at JPARC. 1Mbar data has been collected at SNS.
5. A possible COMPRES poster, at a projected cost of \$4-5K, was discussed. It was not viewed as a high priority.
6. COMPRES sent 5 examples of mid-range Instrumentation and Facilities projects to the NSF, along with slides.
7. A COMPRES Highlight appeared in the NSF-EAR newsletter EAR To The Ground.
8. An update on the Distinguished Lecture Series was given.
9. A Paris-Edinburgh Workshop on May 23-24 at the APS was discussed. It attracted about 40 participants and was highly successful.

Meeting adjourned at 15:15 Eastern Time
